Re: 1776 Leadership Fund
FEC ID No. C00436980

Dear Mr. Vuong,

This is in response to your letter dated May 28, 2008 concerning the April Monthly Report (3/1/08-3/31/08) of 1776 Leadership Fund (the "Committee"). The Committee did not receive the original letter that you sent and only became aware of it yesterday upon receiving your e-mail correspondence. We are therefore responding immediately to your questions.

You have asked about expenditures made by the Committee for "Fundraising Consulting Service" on Schedule B. The expenses you cite were made to support the Committee's own programs and activities and none were on behalf of a federal candidate committee.

You have also asked about an expenditure made by the Committee for "Media Consulting Services." The expense you cite was made to conduct the Committee's own programs and activities and did not contain express advocacy.

Lastly, you ask about payments for administrative expenses. The 1776 Leadership Fund is a small committee that has few administrative expenses. During the time period of the above referenced report, the Committee had no office or paid staff and relied primarily on consultants and volunteers to administer the Committee's activities. All of the expenses incurred to operate the Committee have been reported as federal operating expenditures on the Committee's FEC reports.

We hope that this information adequately addresses your questions. If you need any further information, please do not hesitate to contact the Committee.

Very truly yours,

Linda August
Treasurer
1776 Leadership Fund
